### Kikuyu Grandmothers

One Horizon holds a special Mother's Day party at a community of warm and welcoming Kikuyu grandmothers to celebrate their resilience in the face of great challenges and for being role models for younger Kenyans. Grandmothers become the primary caregivers when parents are unable to do so, and there are many grandmother-headed households in Kenya that care for a number of generations. But thanks to a pig-farming small business program supported by One Horizon, the grandmas earn a sustainable income to feed and keep their families together.

On this insightful day, you will be shown around the farm and help cook our delicious traditional Kenyan lunch. The grandmothers narrate their powerful stories and you join in the party with joyful singing and dancing to celebrate Mother's Day and all that they have achieved.

### Maasai Mothers

We celebrate Mother's Day with the Maasai by hosting a party in a traditional village. The Maasai are proud semi-nomadic people who have age-old traditional cultural practices, and Maasai mothers hold a vital position as they shoulder a great deal of responsibility in day-to-day life. They also develop intense bonds with their children and nurture and develop their sons to become future warriors, or morans.

This is a fun-filled day and you will be dressed in a traditional Maasai shuka cloth or 'African blanket', make your own piece of beautifully-crafted beaded Maasai jewellery, and you help cook our delicious Kenyan lunch. Listen to their stories and ideas, join in the singing and dancing, and enjoy this Mother's Day party when the Maasai respectfully honour their strong, wise and highly-revered mothers.
